

## Piney Woods Facilities Assistant

**Reports to:** Piney Woods Facilities Director

**Job Status:** Part-Time, Hourly, Non-Exempt (*20 hours per week, occasional weekends*)

[Momentous Institute](#) has been dedicated to strengthening the mental health of children, families, and communities for over a century. Each year, our organization supports more than 5,000 individuals through innovative mental health services, our nationally recognized Momentous School, and professional training for educators, doctoral students, and professionals who work with children. Our evidence-based insights extend the impact of our work well beyond those we directly serve, fostering a world of emotionally thriving people reaching their full potential.

In addition to providing direct services in-person at our Dallas-based facility and virtually, Momentous Institute utilizes our 1,400-acre nature-based campus in the Piney Woods region of east Texas. Research shows that time in nature improves communication and problem-solving and reduces stress, depression, and anxiety.

Our property, naturally preserved and rich in biodiversity, provides a unique opportunity to combine the outdoors with research-backed mental health approaches. With nature as our co-therapist, children and families visiting can disconnect from real-world distractions and reconnect with themselves and the world around them.

### **Job Duties/Responsibilities:**

#### **Building Upkeep**
